

# NO

**TO HATE**

**TO DIVISION**

**TO THE FAR RIGHT**

**The far right thrives on division, blaming migrants, communities and minorities for problems caused by inequality and exploitation.**

**GMB London Region stands for solidarity, fairness and working class unity. We reject racism, scapegoating and the politics of fear.**

**Working with the Together Alliance, we are building a country where workers stand together, not divided against each other.**

Organise. Educate. Stand united.

There is no place for the far right in our workplaces or our communities.

Join us on **Saturday 28<sup>th</sup> March at 12pm, for a 12:45pm departure.**
