

SCHOOL SUPPORT STAFF: NEU IS NOT FOR YOU!

GMB makes work better for school support staff. Our members have a say on pay, terms and conditions, and pensions.

The NEU will soon ballot its school support staff members to go on strike over the DfE's recommendation of an **unfunded pay increase for teachers**, as well as **teacher workload**.

The NEU is a teachers' union. It cannot negotiate to improve pay for school support staff, who work under the NJC Green Book. Any strike action **can only benefit teachers**.

GMB campaigns are about making work better for support staff, including ending Term Time Only contracts, reintroducing school nurses, and calling for SEND allowances.

BE IN THE RIGHT UNION FOR YOU!
